LA/LB Motor Carrier Listening Session | 28 August 2019

Agenda

I. Welcome & Introductions

II. What's new for Advent/eModal

- Help center FAQ
- Portal updates
- New apps for motor carriers/depots
- EDS/API integrations

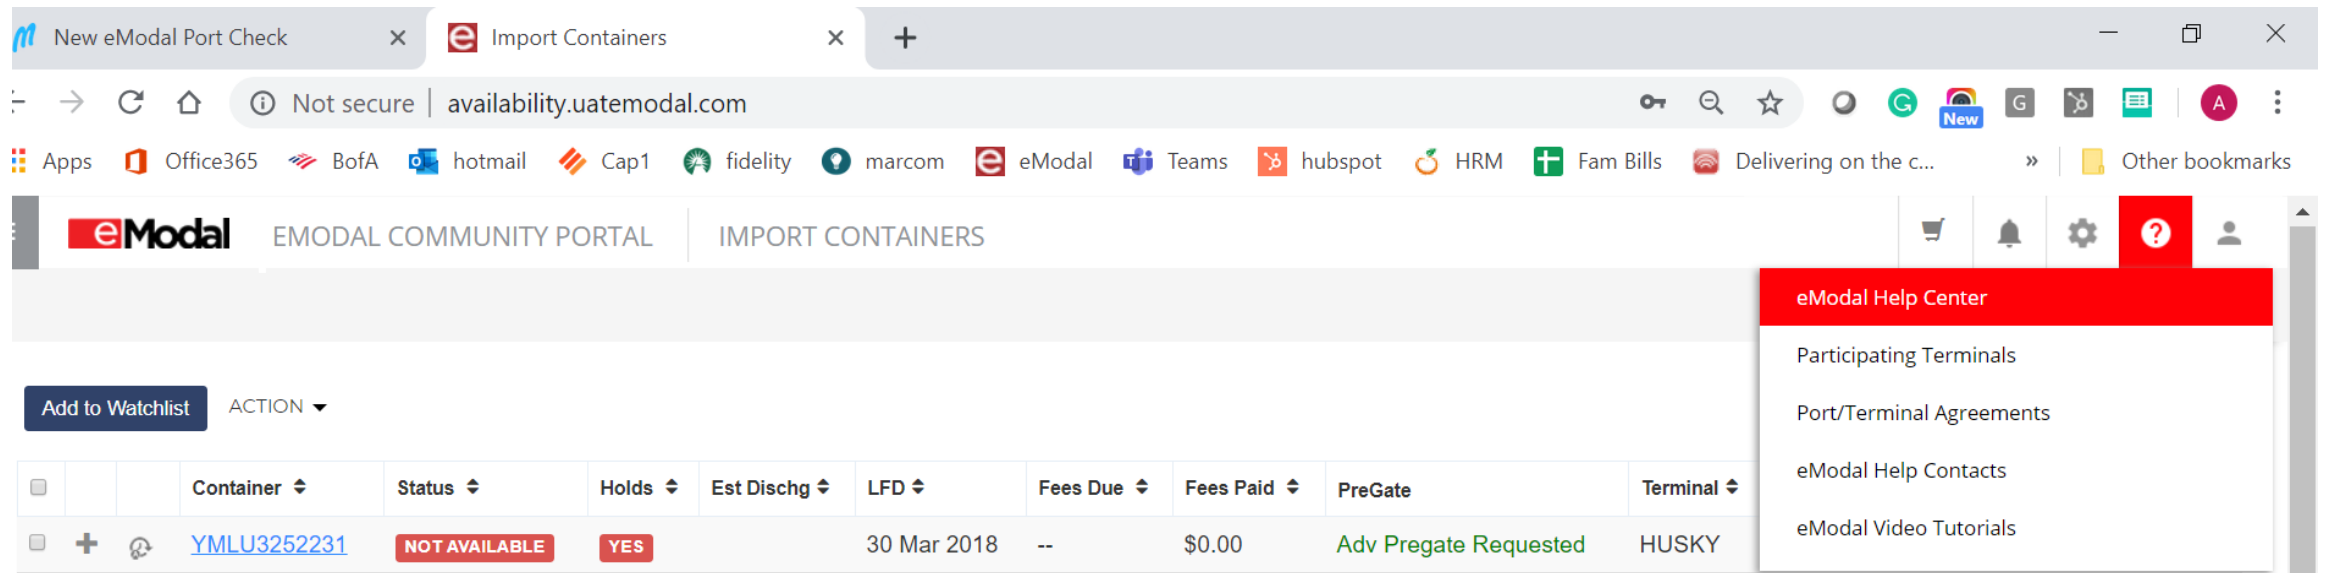

III. Q&A

- What is working well?
- What is not working ?
- What would you like to see?

IV. Demos

What's New | Help Desk Process and tools

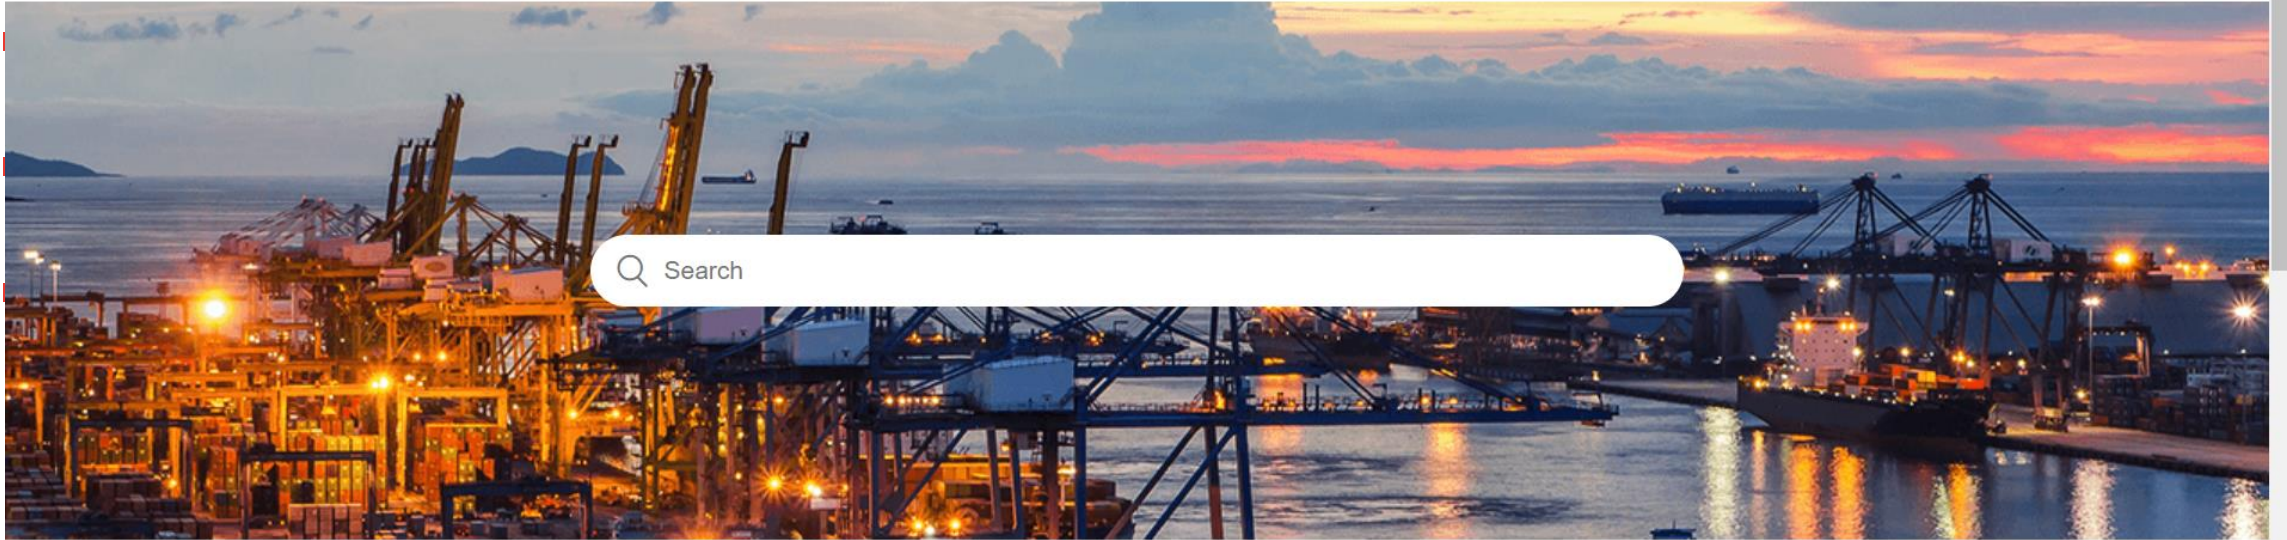

- New help center on the portal
- New FAQ
- More (and better trained) staff

The screenshot shows a web browser window with two tabs: "New eModal Port Check" and "Import Containers". The address bar shows "availability.uatemodal.com". The page header includes the eModal logo and "EMODAL COMMUNITY PORTAL | IMPORT CONTAINERS". A navigation bar contains various application icons. A dropdown menu is open from a red question mark icon, listing: "eModal Help Center", "Participating Terminals", "Port/Terminal Agreements", "eModal Help Contacts", and "eModal Video Tutorials". Below the header is a table with columns: Container, Status, Holds, Est Dischg, LFD, Fees Due, Fees Paid, PreGate, and Terminal. The first row of data shows container YMLU3252231 with status "NOT AVAILABLE", holds "YES", LFD "30 Mar 2018", fees "\$0.00", and terminal "HUSKY".

Container	Status	Holds	Est Dischg	LFD	Fees Due	Fees Paid	PreGate	Terminal
YMLU3252231	NOT AVAILABLE	YES		30 Mar 2018	--	\$0.00	Adv Pregate Requested	HUSKY

What's New | eModal.com Portal updates

- Faster updates from TOS via native APIs
 - Pier A, PCT and ITS completed
 - Everport and Trapac in the works
- New notification settings
- Advance Reservation Requests
- What's coming: Single Sign On Security/Permission Changes
 - Change to company security policies : multiple accounts, but with a single login to all eModal apps
 - No more logging in/out, faster page loading
 - Change: each trucker login will need to request access from master carrier account
 - Required for higher security control

What's New | Apps for motor carriers/depots

Depot Manager

Cloud-based, highly automated inland depot operations software

▶ **Modules**

- ▶ **Work order management**
